

The photos from the Department of Washington 2018 Mid-Winter Conference, 19-20 January 2018 are located in the Photo Gallery section.

The 2018 conference was held at the Hotel RL in Spokane, WA. The National Representatives at our conference were Assistant Adjutant General and Executive Director Bob Wallace, and National District Council Member #14 Tami Elliott.

We also had the pleasure of having Tim Borland who is both the National Organization Western Conference Vice Chairman for the National Legislative Committee, and also the representative from the Department of Arizona. We have a friendly membership recruiting drive competition between Arizona and Washington. Washington is currently ahead of Arizona; therefore, you will see Tim Borland donning a University of Washington shirt during the Council of Administration meeting.

The Department also hosted the 70th Annual Voice of Democracy essay contest finalists. This year's theme was "What does a veteran mean to me?". The 2018 Voice of Democracy winner is Hannah Doyle, a 12th Grader from Hanford HS, Richland, WA. Paraphrasing Executive Director Wallace, students from all districts who made it to State finals are winners!

Stayed tuned for the full story of the Mid-Winter conference in our next published quarterly newsletter, and visit our social media sites to see more photos and videos.
